We do not have responsibility with copywright of this book.

Nick Bedford, closeted coach of California Pacific College's men's rowing team, is struggling with professional ethics. He denies his attraction to Morgan Estrada, a rower on the crew, though the heated glances between them drive Nick wild. Then Morgan makes a move... and though Nick panics, Morgan gets what he wants: Nick.

Safely assured that he's not preying on a younger man, Nick gives in to his feelings for Morgan. They take pleasure in sharing their daily routine, and the sex sets the sheets afire. Everything seems perfect until an anonymous complaint is filed against Nick right before the biggest race of the year. It's exactly what Nick has feared most—and it may be enough to capsize the fledgling relationship.
